

World Ozone Day

World Ozone Day
Organised by
MBB College, Agartala, Tripura

Catalysed by
Department of Science, Technology and Environment,
Tripura

16th September, 2021 was the International Day for the preservation for ozone layer. The Ozone Day was observed by MBB College on 5th October'21 at 11.30 am in the Chemistry gallery of the old science building. Dr. Utpal Chandra Dey, Associate Professor, Department of Chemistry was the resource person of the program. In his presentation, Prof. Dey beautifully explained the importance of the observation of the day, the cause and effect of the depletion of the ozone layer and also the measure to preserve the ozone layer.

His presentation was followed by a Quiz program on the Ozone Day. There was a small prize against each correct answer of the quiz. The program was lively with the participation of around 150 students and the professors of the different streams.
