

Report on Gender Sensitisation Programme

A seminar cum awareness programme on Gender Sensitisation was organised by the Department of Psychology, MBB College, Agartala, Tripura on the 18th of April 2023.

The programme began at around 1 pm with a short introduction by the HoD of the Department of Psychology, Dr. Sudeshna Chakrabarti.

Dr. Arita Acharya, Associate Professor and a senior teacher of the Department of Psychology presented the topic of Gender Sensitisation in a very elaborative, attractive and lucid manner to the students present during her valuable speech.

It was followed by another lecture delivered by another senior teacher of the department, Dr. Deepa Ghosh, Associate Professor who was very attractive and filled with numerous examples of relatable real life incidents involving gender inequalities and discriminations.

Following Dr. Ghosh's lecture the programme was immensely enriched by the spontaneous participation of the students present where they expressed their views on Gender Sensitisation.

A total of 62 students participated in this seminar cum awareness programme on Gender Sensitisation.
