Navigating the Labyrinth: Social Hierarchy and Intersection in R.K. Narayan's Swami and Friends

R.K. Narayan's Swami and Friends paints a vivid picture of life in Malabar, a seemingly ordinary Indian town. Beneath the surface of everyday routines, however, lies a complex social hierarchy that shapes the lives of its inhabitants. This essay will explore how Narayan portrays different social classes in Malabar, focusing on the interactions between characters from diverse backgrounds and the impact these interactions have on the established social order.

DEPARTMENT OF GEOGRAPHY
MBB COLLEGE, AGARTALA, TRIPURA

Usage /Adoption of ICT (Information and Communication Technology) tools by the faculty of the Department of Geography for effective teaching and learning processes (2023-2024)

The following ICT Enabled tools / Platforms are being used by the faculty of Geography department for effective teaching -learning Process are as follows:

1) Communication Tools:

a) **Email:** Platforms like Gmail, Outlook, and Yahoo Mail are widely used as communication tools for sending messages, documents, and multimedia files.

b) **Video Conferencing Platforms:** We are using Platforms like Zoom, Microsoft Teams, and Google Meet for conducting virtual meetings, webinars, and online classes with features such as video calls, screen sharing, and chat functionalities.

2) Collaboration Tools:

During Teaching and Learning Process, we are using collaboration tools like

- a) **Google Workspace (formerly G Suite):** Google Workspace which offers a suite of collaboration tools including Google Docs, Sheets, Slides, and Drive, allowing users to create, edit, and share documents, spreadsheets, presentations, and files in real-time.
- b) **Microsoft Office 365:** collaboration tools such as Microsoft Word, Excel, PowerPoint, and OneDrive, facilitating document creation, editing, and sharing across devices.

3) Data Analysis Tools:

- a) **Microsoft Excel:** Excel is a powerful spreadsheet software widely used for data analysis, visualization, and reporting. Our students using these tools in geography for various tasks such as analyzing population data, graphical representation, creating thematic maps, and conducting statistical analysis. We have MS Excel-based practical work also.

Use of Social Media Platforms: Facebook and Instagram

Links and Few Screenshots of Various Tools and Platforms being used during Teaching and Learning Process in the Department of Geography are given below:
