DEPARTMENT OF GEOGRAPHY

MBBC

SPECIAL PROGRAMMES FOR ADVANCED AND SLOW LEARNERS

The Department of Geography has always worked for the betterment of its students. The Department assess the learning levels of the students and organizes Programmes for advanced learners and slow learners. It organizes various steps/programs to benefit all students. These programs include:

1. Lecture series
2. Mentor-Mentee
3. Peer Learning
4. Tutorial Classes
5. Programmes organised by GEOGRAPHY STUDENT FORUM (GSF)

The department organizes lecture programs, under which experts or resource persons are invited to deliver lectures. This initiative helps both learners enhance their knowledge.

Department Library facility is available to all students and the learners for effective preparation. Mentor-mentee relationship is followed in our department. Mentors monitor the progress of their mentees and provide counseling when needed. For this purpose, **mentor-mentee meetings** are conducted. The department also organizes **Parent-Teacher Meetings**.

Both slow and advanced learners engage in peer learning together. Students work in groups on **PPT presentations, group projects, fieldwork, and skill enhancement reports**, where they teach and learn from one another.

Tutorial and extra classes, in addition to regular classes, are conducted for slow learners to support their learning and academic progress.

The Geography students have their own forum called the **Geography Students Forum**. This forum actively participates in and volunteers for various departmental and college activities. It also organizes different programs from time to time, such as **Environment Day celebrations** and **Menstrual Hygiene Awareness Programs**. All Geography students are members of this forum.

Identification of Advance and Slow learners
