

Event Report on Mushroom Cultivation Technique

Three days workshop cum hands on training on mushroom cultivation technique was organized by the Department of Botany, MBB College which was held on 31st May, 1st and 3rd June, 2024. The inaugural function of the program was chaired by Dr. Nirmal Bhadra, Principal, Maharaja Bir Bikram College (MBBC). Welcome address was given by the Head of the Department of Botany Dr. Barnali Dey followed by an address by Sri Nani Gopal Nandi, Secretary, Teachers' Council, MBB College. Dr. Dey spoke about the importance of becoming economically independent and the significance of the skill development programme. Twenty five participants from different semesters were participated in the said training programme. Good feedbacks were received from all the participants and suggested if this kind of program can be organized annually will be more helpful. Certificate was distributed to the participants in the valedictory session of the training programme.
